Last Cal on Low Shoes

If you live until next summer you will have to have Shoes. If we have what you want now in our shelves, it will be a good investment.

The NETTLETON Low Shoes are \$5.00, \$6.00 and \$6.50 the world over--no less. The few pairs left you can get at \$4.00.

WALK-OVERS, the most popular of all Shoes-they speak for themselves. The prices are stamped on each bottom, \$3.50, \$4 and \$4.50 the pair. We have about 50 pairs, in all leathers, at \$2.50 for the \$3.50 ones; \$2.75 for the \$4 shoes, and \$3. for the \$4.50 pairs.

They are all new 1912 models. If that isn't a good investment, then don't buy them; if it is, then get you a pair quick.

A Kidney Remedy Advertisement **Brought Great Happiness**

I take plensure in stating that I have used Dr. Kilmer's Swainp-Rost that I was greatly benefitted by the same and have used it in my family. I had a son, when quite young he suffered from bladder or kidney oftliction. I called in my physician, he attended him but did bim no good. Almost by necident I noticed an advertisement ahout the curative properties of Dr. Kilmer's Swamp-Rost. procured a bottle and gave it to him according to directions. It cured him of what we thought was alprost impossible and the same with others of my family. I have such strong faith in Swamp-Root that I have never done without it in my family since the wonderful cure of my son as well as myself. I recommend it to all who suffer from kidney or blodder troubles and I am best medicines for the purpose for which it is used, that has ever been discovered.

This is my experience from the use of Swamp-Root. Wishing the promoters of this wonderful medicine a large sale to the suffering public, I am Yours respectfully, W. H. McAFEE.
